## Illinois 83 closed at rail crossing in Grayslake

**CHICAGO** – The Illinois Department of Transportation announced today that repairs to the Metra Milwaukee District North Line crossing on Illinois 83 (Ivanhoe Road), south of Buckley Road (Illinois 137), in Grayslake, will require a full closure starting, weather permitting, 6 a.m. Thursday, Oct. 8.

A detour will direct motorists to Peterson Road, Midlothian Road and Buckley Road.

The work is expected to be complete by 6 p.m. Thursday, Oct. 15.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
