## I-57 work at Mattis Avenue resumes Oct. 20

**CHAMPAIGN** – The Illinois Department of Transportation announced that construction on [Interstate 57 at Mattis Avenue](#) resumes Oct. 20.

To accommodate the work, the southbound lanes of I-57 will be closed Oct. 20 and 21, and the northbound lanes closed Oct. 22. The closures will be from 10 p.m. to 6 a.m. each night, and detours will be posted. During the week of Oct. 26, closures on I-74 at Mattis are expected.

The overall project, worth more than \$29 million, is expected to be complete in August 2021.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
