Lebanon Road west of IL 161 in Belleville

Belleville – The Illinois Department of Transportation announces that Lebanon Road just west of IL 161 over Schoenberger Creek will be restricted to a single lane beginning on Wednesday, September 9, 2020, weather permitting. This restriction will utilize temporary traffic signals to move traffic through the work zone. This work is necessary to complete bridge repairs and is expected to be completed and reopened by the end of November 2020.

Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is Keeley and Sons from East St Louis, Illinois.
