## Overnight lane closures on Lake Street and Wood Dale Road

**CHICAGO** – The Illinois Department of Transportation announced today that a pavement repair at the intersection of Lake Street (U.S. 20) and Villa/Wood Dale Road, in Addison, will require overnight lane closures, weather permitting, from 8 p.m. tonight, Wednesday, Sept. 16, to 6 a.m. Thursday, and from 8 p.m. Thursday, Sept. 17, to 6 a.m. Friday.

To complete the work, motorists can expect lane closures with no left turns at the intersection during that time. In addition, southbound Wood Dale Road will be closed to through traffic at the intersection and traffic will be diverted to westbound Lake Street.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
