## **Barrington Road Resurfacing in Hoffman Estates Begins Monday**

**CHICAGO** - The Illinois Department of Transportation (IDOT) announced that resurfacing and patching of Barrington Road between Higgins Road (Illinois 72) and Schaumburg Road, in Hoffman Estates, will begin, weather permitting, Monday, Oct. 6.

The project consists of pavement patching, milling, resurfacing and new pavement markings.

In order to complete the work, traffic will be reduced to one lane in each direction during daytime hours with flaggers at various locations in the work zone. The anticipated completion date is June 10, 2015, with construction suspended during the winter.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
