## **Central Avenue Bridge Inspection Sunday Morning**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that a routine inspection of the Central Avenue bridge over the Stevenson Expressway (Interstate 55), in Chicago, will take place, weather permitting, the morning of Sunday, Oct. 18.

In order to complete the inspection, various lanes in both directions will be closed at different times starting at 5 a.m. At least one lane will remain open at all times. The inspection will be complete by noon.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
