Lake Cook Road closed for reconstruction and patching work

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions and closures will occur along Lake Cook Road in the Village of Deer Park, for drainage repairs beginning weather permitting, Monday, July 6.

In order to complete the work, Lake Cook Road will be reduced to one lane with flaggers, between Ela Road and Quentin Road.

The project will be complete by the end of July.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
