## **Lane reductions in Lake Bluff**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lanes will be reduced along Sheridan Road in Lake Bluff for intermittent roadwork beginning, weather permitting, Monday, July 13.

In order to complete the work, traffic lanes on Scranton Avenue will be reduced during construction activities.

The project will be complete by August 14.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
