## **IDOT: Lane Closures on EB I-94 at 103<sup>rd</sup> Street/ Stony Island Overnight Tonight**

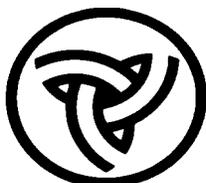

**Chicago-** The Illinois Department of Transportation (IDOT) announced that weather permitting, full lane stoppages on eastbound I-94 (Bishop Ford Expressway) at 103<sup>rd</sup> Street & Stony Island Avenue, will take place between the hours of 1—5 a.m. on Wednesday, June 4, 2014.

The work involves beam removal of the bridge structure that carries the eastbound exit ramp from the Bishop Ford Expressway to 103rd Street and Stony Island over the lanes of the eastbound Bishop Ford (I-94). The two left lanes will be closed beginning at midnight. The right lane will remain open to traffic. The full lane stoppages will be a maximum of 15-minute intervals and will be under the control of Illinois State Police.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at [www.dot.state.il.us](http://www.dot.state.il.us). Updates on the impacts to traffic are available at [www.travelmidwest.com](http://www.travelmidwest.com).
