IDOT: Lane Closures on I-94 at Willow Road in Northfield to Begin April 29

Chicago- The Illinois Department of Transportation (IDOT) announced that weather permitting, ramp work on I-94 at Willow Road in the village of Northfield, will begin Wednesday night, April 30, 2014.

Work will require a stage traffic control and protection pattern be put in place. Multiple I-94 IB lanes will be closed on Wednesday, April 30, 2014 from 9 p.m. until 5 a.m. Thursday, May 1, 2014. Multiple I-94 OB lanes will be closed on Thursday, May 1, 2014 from 9 p.m. to 5 a.m. Friday, May 2, 2014. The work is part of the on-going Willow Road reconstruction project. Changeable message signs are in place to alert the motoring public.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.
