## **IDOT: Nighttime and Overnight Lane Closures on EB I-90 at Cumberland Avenue June 9**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that as part of the ongoing Cumberland Avenue Widening Project, traffic on EB I-90 at Cumberland Avenue (IL 171), will be reduced to one travel lane beginning at 9 p.m. Monday, June 9, 2014. From 1 –5 a.m. Tuesday morning, June 10<sup>th</sup>, traffic will come to a complete stop for 15-minute periods while the center pier is removed from the CTA right-of-way. Once the center pier removal is complete, the roadway will be reopened and traffic will be allowed to resume normal operations.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at [www.dot.state.il.us](http://www.dot.state.il.us). Updates on the impacts to traffic are available at [www.travelmidwest.com](http://www.travelmidwest.com).
