IDOT: Bridge Inspections on Torrence Ave. (IL 83) Over Westbound Lanes of I-80 in Lansing on August 23

CHICAGO- The Illinois Department of Transportation (IDOT) announced that weather permitting, a routine bridge inspection on Torrence Avenue (Illinois 83) over the westbound lanes of Interstate 80 in Lansing will begin Saturday, Aug. 23.

In order to complete this inspection, lane closures will be needed. Two westbound lanes of I-80 will be closed throughout the day from approximately 4:00 a.m. to 2:00 p.m. Bridge inspection work will start with the right lanes, then shift to the left lanes.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us.
Updates on the impacts to traffic are available at www.travelmidwest.com.
