## **Saturday Bridge Inspections on Torrence Over Kingery**

**CHICAGO** - The Illinois Department of Transportation (IDOT) announced that a routine inspection of the bridge carrying Torrence Avenue (Illinois 83) over the eastbound lanes of the Kingery Expressway (Interstate 80/94) in Lansing will take place, weather permitting, on Saturday, Sept. 12.

In order to complete the work, various lane closures will be needed. At least two lanes will be open at all times. This work will take place between 4 and 10 a.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
