IDOT: Lane Closures on EB I-290 Between Racine and Peoria to Begin Tonight

CHICAGO – The Illinois Department of Transportation (IDOT) announced that weather permitting, lane closures will be installed on eastbound I-290 between Racine Street and Peoria Street for placement of new steel beams over I-290 at Morgan Street, beginning Tuesday, April 15, 2014.

Lane closures for this work will occur Tuesday, Wednesday and Thursday night from 11 p.m. to 5 a.m. 15-minute full expressway closures will occur between 1 a.m. and 5 a.m. each night. The work is part of the on-going Circle Interchange project. www.circleinterchange.org.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
