IDOT: Lane Closures on IL 62 at Meacham Road in Schaumburg to Begin April 17

Chicago- The Illinois Department of Transportation (IDOT) announced that weather permitting, a resurfacing and traffic signal modernization project on IL 62 at Meacham Road in Schaumburg, will begin Thursday, April 17, 2014.

Work will require daytime lane closures and occasional overnight lane closures. The anticipated completion date for this project is July 31, 2014.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
