IDOT: Lane Closures on 79th Street & State Road in Burbank to Begin May 1

CHICAGO – The Illinois Department of Transportation (IDOT) announced that weather permitting, a traffic signal modernization project at the intersection of 79th Street and State Road in the city of Burbank, will begin Thursday, May 1, 2014.

The work involves modernization of traffic signals at the intersection. There will be occasional daytime lane closures. The anticipated completion date for this project is July 15, 2014.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
