Lane Closures on Illinois 19 at Wood Dale Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Illinois 19 (Irving Park Road), in Wood Dale, for intersection reconstruction, beginning, weather permitting, on Monday, Nov. 30.

One lane of Illinois 19 will be closed in each direction at Wood Dale Road for the first stage of construction. The project, when completed, will add a right turn lane from eastbound Illinois 19 to northbound Wood Dale Road and double right turn lanes from westbound Illinois 19 to southbound Wood Dale Road.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
