IDOT: Lane Closures on I-94 at Willow Road in Northfield to Begin Tonight

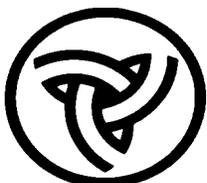

Chicago- The Illinois Department of Transportation (IDOT) announced that weather permitting, ramp work on I-94 at Willow Road in the village of Northfield, will begin tonight, Monday, May 5, 2014.

Work will require a stage traffic control and protection pattern be put in place. Several lanes of both inbound and outbound I-94 will be closed on Monday, May 5, from 9 p.m. to 5 a.m. Tuesday, May 6. At least two lanes will remain open from 9 p.m. to 11 p.m. Lanes on both IN and OB will be reduced to one lane between midnight and 5 a.m. The work is part of the on-going Willow Road reconstruction project. Changeable message signs are in place to alert the motoring public.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
