IDOT: Lane Closures on IL RT 83 over S&S/I&M Canal in Lemont to Begin May 14

CHICAGO – The Illinois Department of Transportation (IDOT) announced that weather permitting, painting of the bridge carrying Illinois Route 83 over the S&S / I&M Canal in the Village of Lemont, will begin Wednesday, May 14, 2014.

In order to paint the bridge, one lane will be closed in each direction. Please be aware of narrow lanes and max width signage. A portion of the adjacent bike path will be restricted to one lane. Please use caution when biking through this area. The project has an anticipated completion date of September 12, 2014.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
