IDOT: Ramp Closure on WB Ontario Feeder to IB I-90/94 (Kennedy Expressway) for Traffic Switch June 9

CHICAGO – The Illinois Department of Transportation (IDOT) announced that weather permitting, the WB Ontario Feeder ramp to inbound I-90/94 (Kennedy Expressway) entrance ramp will be closed to motorists Monday, June 9, 2014 from 1—5 a.m.

This closure is due to the ongoing work on the Ohio Street Bridge Project to move traffic onto the newly constructed bridge over I-90/94 (Kennedy Expressway). This will allow for the upcoming demolition of the existing bridge and completion of the new one. Traffic will be detoured WB on I-90/94 (Kennedy Expressway) to Division Street and back onto EB I-90/94.

Motorists can expect delays during this closure and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
