Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on IL 40 at the south edge of Rock Falls will begin on Monday, March 16, 2015. Martin & Company Excavating will be starting the \$5.2 million project to remove and replace the bridge carrying IL 40 over the Hennepin Feeder Canal north of the I-88 interchange.

Traffic will be restricted to one lane in each direction while the structure is replaced one half at a time. The project is scheduled to be completed by December 15, 2015.

Drivers should be alert for the lane closures and reduce speed when traveling through the area.

Please slow down and use extreme caution while driving through all work zones.
