Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on Hononegah Road at the bridge over IL 2 in Rockton will begin on Monday, June 22, 2015. Work will be starting to replace the expansion joints on the structure, to make repairs to the concrete bridge deck and to place a new surface on the bridge. Sjostrom & Sons is the contractor for the \$670,458 project that is scheduled to be completed by the end of August.

Temporary traffic signals will be installed to control traffic which will be restricted to one lane during the project. Drivers should be prepared to stop for the temporary traffic signals when approaching the work area.

Please slow down and use extreme caution while driving through all work zones.
