Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on I-80 east of Colona will begin on Sunday evening, July 26, 2015. G.M. Sipes Construction will be making concrete pavement repairs to the five mile section of I-80 from the Rock River to I-74/280. The \$820,372 contract is scheduled to be completed by the end of August.

Traffic will be restricted to one lane in each direction from 7:00 p.m. Sunday evening to 9:00 a.m. on Friday morning while sections of the concrete pavement are removed and replaced. All lanes will be opened each Friday for the weekends.

Motorists are asked to be extra alert for the night time construction activity due to the limited visibility.

Please slow down and use extreme caution while driving through all work zones.
