PEORIA – The Illinois Department of Transportation announces that work to widen and resurface IL 91 in Dunlap will continue the week of March 30th, weather permitting.

This work will require traffic shifts and lane closures on IL 91. In addition, the portion of Legion Hall Road between IL 91 and Breckenridge Drive will be closed for pavement replacement and the installation of sidewalk, pipe culverts, and storm sewer.

Access to residences and businesses will be maintained during construction. The project is expected to be completed by the end of 2015.

Please slow down and use extreme caution while driving through all work zones.
