PEORIA – The Illinois Department of Transportation announces that Business 24 (Peoria Street) in Washington will be closed at the railroad viaduct just west of Wood Street beginning Monday, May 5th and continuing for approximately three weeks.

This closure is necessary for crews to replace pavement along Business 24 at the viaduct. Washington Square will not be accessible from eastbound Business 24 during this time.

The City of Washington has specified a preferred route for local delivery trucks during this road closure. These vehicles should use N. Cummings Lane, Cruger Road, and Main Street; passenger vehicles have no local route restrictions.

Through traffic is encouraged to use US 24 while the work is being completed.

Please slow down and use extreme caution while driving through all work zones.
