PEORIA – The Illinois Department of Transportation announces that IL 8 (Farmington Road) in West Peoria will be reduced to one lane in the vicinity of Rhodora Avenue Tuesday, May 20th and Wednesday, May 21st.

Flaggers will control traffic during this time. This lane reduction is necessary for crews to complete pavement work.

The overall project consists of geometric improvements for the right turn lane carrying Sterling Avenue traffic onto Farmington Road, relocation of traffic signals, pavement widening, and storm sewer installation.

Please slow down and use extreme caution while driving through all work zones.
