## **Update: IL 29 Lane Closures in Peoria**

**PEORIA** – The Illinois Department of Transportation announces that the northbound lanes of IL 29 (Adams St.) from Abington St. to US 150 in Peoria will be closed during daytime hours for approximately two weeks starting Thursday, Sept. 17.

During this time, the southbound lanes of IL 29 will accommodate both southbound and northbound traffic; northbound motorists will be diverted to a single lane on southbound IL 29.

In addition, the right northbound lane will remain closed overnight for approximately one week.

The lane closures are necessary for patching and resurfacing work to be completed. Motorists should expect travel delays and plan accordingly.

Please slow down and use extreme caution while driving through all work zones.
