PEORIA – The Illinois Department of Transportation announces that the left lane of northbound IL 29 and the left lane of southbound IL 29 just north of Fairview Street near Mossville will be closed from Tuesday, September 2nd until approximately Tuesday, September 9th.

The lane closures are necessary for crews to build a crossover lane in the median, in advance of road work scheduled to take place at this location next year.

Please slow down and use extreme caution while driving through all work zones.
