PEORIA – The Illinois Department of Transportation announces that motorists will encounter intermittent lane closures and occasional flashing red light stop control at the intersection of US 24 and Adams Street/Washington Street in Bartonville from Thursday, August 28th until approximately Friday, September 12th.

The lane closures and flashing red light stop control will only take place during off-peak hours and are necessary for the modernization of traffic signals at this location.

Please slow down and use extreme caution while driving through all work zones.
