Interstate 74 Eastbound Lane Closure Cancelled for March 20, 2014

Location – Paris, IL

The Illinois Department of Transportation announced today the I-74 Eastbound lane closure scheduled for tonight, March 20, 2014 during the hours of 10:00 p.m. and 6:00 a.m., to place steel beams for the bridge carrying County Highway 50 (Lake of the Woods Road) over Interstate 74 has been cancelled. All lanes of I-74 will be open. Interstate traffic will not be detoured. The setting of steel beams will continue at a later date.

The overall project has an anticipated completion date of August 14, 2014, weather permitting. The contractor for the \$4,337,489 project is Stark Excavating, Inc.

Motorists are advised to slow down, obey posted limits and drive carefully through this and all work zones. Due to the high volume of traffic, motorists may want to consider alternate routes.
