Resurfacing of Mattis and Prospect Avenues

Champaign, IL – The Illinois Department of Transportation announces that milling and resurfacing of Mattis Ave. from Bradley Ave. to Bloomington Road and US 150/Prospect Ave. from Springfield Ave. to Bloomington Road in Champaign will start August 25, 2014, weather permitting. During construction, one lane of traffic will be maintained in each direction.

The overall project is anticipated to be complete by October 1 of this year, weather permitting. The contractor for the \$800,000 project is Open Road Paving Company.

Special care will be needed as construction trucks will enter and leave the open lane of traffic. These trucks will be moving at a slow rate of speed and motorists will need to be alert.

Please slow down and use extreme caution while driving through all work zones
