

**URBANA PUBLIC WORKS DEPARTMENT  
706 South Glover  
Urbana, Illinois 61802**

**INFORMATION RELEASE**

**DATE:** May 5, 2014

**DEVELOPED BY:** William R. Gray, Director of Public Works

**AUTHORIZED BY:** William R. Gray, Director of Public Works

**RE:** Construction on High Cross Road and  
East Washington Street

---

**Improvements to High Cross Road (Illinois Route 130) between University Avenue (US Route 150) and south of Washington Street will begin on Monday, May 12, 2014. The contractor for this \$7,700,000 project is Open Road Paving from Urbana, Illinois. The Illinois Department of Transportation - District 5 (IDOT) will oversee the construction of this project.**

**During construction, lane widths on High Cross Road will be reduced from 12-foot lanes to 10-foot lanes. Washington Street between Pfeffer Road and High Cross Road will be closed at times between June 2, 2014 and August 29, 2014 as part of the construction project. Motorists are asked to use University Avenue during this closure.**

**While travelling in this construction area, motorists are advised to use caution and to obey all work zone signage.**

**For more information on the High Cross Road Project, contact William R. Gray at 217/384-2342 or [wgray@city.urbana.il.us](mailto:wgray@city.urbana.il.us) or visit the City's website at [www.urbanaininois.us](http://www.urbanaininois.us) .**
