PRESS RELEASE

US 67 at the Clark Bridge in Madison County

LOCATION – US 67 at the Clark Bridge

The Illinois Department of Transportation today announced that lane reductions in each direction of US 67 at the Clark Bridge in Alton will begin on April 7, 2014, weather permitting. All lanes will be open westbound between the hours of 6:00 a.m. – 8:00 a.m., and eastbound lanes will be open between the hours of 3:00 p.m. – 6:00 p.m. The lane closures are necessary to make bridge repairs. This work is expected to be completed by July 31, 2014.

Significant delays are expected. Motorists are encouraged to develop and utilize alternate routes during this period. The Department asks that motorists be patient, reduce speed, watch for stopped traffic ahead, and use additional caution when traveling near and throughout this work zone.

The contractor on this project is Concrete Strategies of St. Louis, MO. John Scheibal is the Supervising Field Engineer for the Illinois Department of Transportation in the area. If you have any questions concerning this project, you may contact him at 618/346-3353.
