**PRESS RELEASE**

I-70 in Bond County

Location – I-70 Smithboro to the Fayette County Line

The Illinois Department of Transportation announced that eastbound and westbound I-70 from Smithboro to the Fayette County Line east of Mulberry Grove will have one lane closed in each direction effective immediately. These lane closures are necessary to install concrete headwall for pipe underdrains and remove concrete from the structures carrying Trapper Avenue, King Road and Mulberry Grove Road over I-70. This work should be completed and lane closures removed by February 27, 2015, weather permitting

The Department asks that motorists be patient, reduce speed, and use extreme caution when traveling near and throughout this work zone. Please allow for extra time when traveling in this location and watch for stopped traffic ahead. Additional signing and traffic control devices will be provided to assist motorists through the work zones.

The Contractor on this project is Kilian Corporation of Mascoutah, Illinois. Steve Putz is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at (618)346-3350.
