PRESS RELEASE
****REVISED****

Troy and Collinsville, IL

Location – Eastbound and Westbound I-55/70 between IL 157 and I-270

Effective Immediately - The Illinois Department of Transportation has announced that daytime eastbound and westbound lane restrictions will be encountered on I-55/70 between IL 157 and I-270, weather permitting. All lanes will be open during peak hours which are defined as westbound between the hours of 6:00 a.m. – 9:00 a.m. and eastbound between the hours of 3:00 p.m. – 6:00 p.m. These intermittent lane restrictions are required to remove and replace guardrail, cable median barrier, and impact attenuators. This work should be completed by May 22, 2015.

The Department asks that motorists be patient, reduce speed, obey all warning signs, and use additional caution when traveling near and throughout this work zone.

The contractor on this project is Illini Excavation and Reclamation of South Roxana, Illinois. John Scheibal is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have questions concerning this project you may contact him at 618-346-3353.
