PRESS RELEASE

Carlyle, IL

Location – US Route 50 From Huey Road to Creek Road

The Illinois Department of Transportation today announced that there will be daytime lane closures reducing traffic to one lane on US 50 from Huey Road to Creek Road beginning on May 13, 2014, weather permitting. These lane closures are necessary to widen the shoulder and replace guardrail. It is estimated that the project will be completed by September 30, 2014. Please observe caution when travelling through this area. Signing, flaggers, and traffic control devices will be provided to aid motorists through the work zone.

This work is being done by Howell Paving, Inc. of Mattoon, IL. Steve Putz is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at 618/346-3350.
