PRESS RELEASE

US 50 in Clinton County

US 50 structures over Walnut Street in Breese, IL – The Illinois Department of Transportation today announces that beginning on June 01, 2015, the eastbound and westbound structures over Walnut Street in Breese will be restricted to one lane. The work is required to replace the bridge joints and apply an overlay to the bridge. This work is expected to be completed by August 31, 2015, weather permitting.

The Department suggest the travelling public follow all construction signs and drive with caution through the work zones.

The contractor on this project is Keller Construction of Edwardsville, IL. If you have any questions concerning this project, please contact Steve Putz, Supervising Field Engineer for the Illinois Department of Transportation, at (618) 346-3350.
