PRESS RELEASE

MARION COUNTY

I-57 SOUTH OF US 50 TO THE FAYETTE COUNTY LINE

The Illinois Department of Transportation announces that daily lane closures will occur on northbound and southbound I-57 from just south of US 50 to the Fayette County Line. These lane closures are necessary to complete a maintenance project which consists of crack routing and sealing of the pavement. Work is scheduled to begin on Monday June 22, 2015, weather permitting, and should be completed by July 31, 2015. At least one of the two lanes will remain open at all times.

Please watch for stopped traffic and allow extra time when traveling through the work zone. Signing and traffic control devices will be provided to aid motorists through the work zones.

The contractor on this project is Complete Asphalt Service Company of Pittsfield, IL. If you have any questions concerning this project, please contact Steve Putz, Supervising Field Engineer for the Illinois Department of Transportation, at 618-346-3350.
