PRESS RELEASE

I-255 Northbound & Southbound St. Clair County

Location – The Illinois Department of Transportation announces that on September 22, 2015 road construction will begin in both directions on I-255 from Collinsville Road (mile marker 23.5) in Fairmont City to Mousette Lane (mile marker 16) in Sauget to patch areas where the pavement has failed. This will require that the interstate be reduced from three lanes in each direction to two lanes or to one lane at times through October 9, 2015. The Contractor shall have a minimum of two lanes open to traffic during peak hours which are from 6:00 AM to 6:00 PM.

The Department asks that motorists look for ROAD CONSTRUCTION AHEAD signs, reduce speed, watch for slow moving or stopped traffic, and use additional caution when traveling near and throughout this work zone.

The contractor on this project is Keeley and Sons of E. St. Louis, IL. If you have any questions concerning this project, please contact Steve Putz, Supervising Field Engineer for the Illinois Department of Transportation, at 618/346-3350.
