PRESS RELEASE

I-64 Washington County Eastbound & Westbound

Location – The Illinois Department of Transportation announces that on October 6, 2015 road construction will begin on I-64 near Nashville, IL. The limits will be on the eastbound and westbound lanes between mile post 46.3 to the Jefferson County Line, weather permitting, to patch areas where the pavement is failing. This will require that the interstate be reduced from two lanes to one overnight at times through October 19, 2015.

The Department asks that motorists look for ROAD WORK AHEAD signs, reduce speed, watch for slow moving or stopped traffic, and use additional caution when traveling near and throughout this work zone.

The contractor on this project is Keeley and Sons of E. St. Louis, IL. If you have any questions concerning this project, please contact Steve Putz, Supervising Field Engineer for the Illinois Department of Transportation, at 618/346-3350.
