PRESS RELEASE

US 50 Clinton County Carlyle & Breese, IL

Location – The Illinois Department of Transportation announces that on November 9, 2015 road construction will begin on US 50 to patch areas where the pavement is failing. This will require that US 50 be reduced from two lanes to one lane at times through November 30, 2015.

Traffic will be guided through the work zone utilizing flaggers, traffic control devices, and traffic control signing. Please use extreme caution while traveling through the work zone. The Department asks that motorists look for ROAD CONSTRUCTION AHEAD signs, reduce speed, watch for slow moving or stopped traffic, and use additional caution when traveling near and throughout this work zone.

The contractor on this project is Keeley and Sons of E. St. Louis, IL. If you have any questions concerning this project, please contact Steve Putz, Supervising Field Engineer for the Illinois Department of Transportation, at 618/346-3350.
