## **Press Release**

### **St. Clair County**

Location – St. Clair Avenue from North 40th Street to North 47th Street in East St. Louis

The Illinois Department of Transportation today announced that the eastbound and westbound lanes of St. Clair Ave from North 40th St. to North 47th St. will be intermittently restricted one lane at a time on Friday, October 30 through Monday, November 23, weather permitting. These lane closures are necessary for pump station improvements. Traffic Control devices will be utilized to assist motorists during these lane closures. The Department asks that all motorists look for ROAD CONSTRUCTION AHEAD signs, be patient, reduce speed, and use additional caution when traveling near and throughout this work zone. Please slow down and use extreme caution while driving through all work zones.

The Contractor on this project is Haier Plumbing from Okawville, IL. Steve Putz is the Supervising Field Engineer for the Illinois Department of Transportation on this project. If you have any questions concerning this project, you may contact him at 618/346-3350.
