IL 127 in Clinton County

IL 127 Structure over Kaskaskia River south of Carlyle, IL – The Illinois Department of Transportation announces that the Contractor on the project has experienced fabrication issues with the new expansion joints on the structure causing a delay in the completion of the IL 127 structure. This work is expected to be completed and IL 127 reopened to traffic by mid November 2014, depending on weather. A marked detour route utilizing Slant Road and IL 161 will remain in place. The Department suggests the traveling public follow detour signs and drive with caution.

The contractor on this project is Sangamo Construction Company of Springfield, IL. If you have any questions concerning this project, please contact Steve Putz, Supervising Field Engineer for the Illinois Department of Transportation, at (618) 346-3350.
