**PRESS RELEASE**

Lebanon , IL

Location – US 50 – 0.5 mile east of Lebanon, IL

The Illinois Department of Transportation today announced that US 50 over Little Silver Creek will be reduced to one lane 0.5 mile east of Lebanon beginning on Wednesday, September 24, 2014, weather permitting. Two-way traffic will be maintained by temporary traffic signals. This closure is required to perform bridge repairs. The overall project is estimated to be completed by the Spring of 2015.

The Department asks that motorists be patient, reduce speed, obey all warning signs, and use additional caution when traveling near and throughout this work zone.

The contractor on this project is Keeley & Sons, Inc. of East. St. Louis, Illinois. Tom Borsch is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at 618/346-3352.
