PRESS RELEASE

Granite City

Location – Ramp from IL Route 3 to westbound I-270

The Illinois Department of Transportation today announced that the ramp from IL Route 3 to westbound I-270 near Granite City will be temporarily closed to all traffic beginning Wednesday, June 18, 2014, weather permitting. Traffic will be re-routed eastbound on I-270 to IL Route 203, under I-270, and then back onto westbound I-270.

This closure is necessary to reconstruct the new IL Route 3 ramp onto westbound I-270. The work is expected to be completed by July 3, 2014.

The contractor on this project is Walsh Construction Company of Chicago, IL. Barry Gibbs is the Supervising Field Engineer for the Illinois Department of Transportation in the area. If you have any questions concerning this project, you may contact him at 618/346-3351.
