Press Release

District 8 – Collinsville

Location – IL 161 over Crooked Creek Overflow, West of Centralia

The Illinois Department of Transportation today announced that the eastbound and westbound lanes of IL 161 over Crooked Creek Overflow, West of Centralia, will be intermittently restricted (one lane at a time), during daytime hours only, on Wednesday, July 15, 2015, weather permitting. These lane closures are necessary for geotechnical investigations for proposed structure improvements. Ve'Niece Pearman-Green is the Geotechnical Engineer for the Illinois Department of Transportation on this project. If you have any questions concerning this project, you may contact her at 618/346-3313.
