PRESS RELEASE

Interstate 55/64 Eastbound In East St. Louis, Illinois St. Clair County

COLLINSVILLE, IL, -- The Illinois Department of Transportation announces left lane closures will be placed along the eastbound collector distributor (CD) lanes (heading towards exit 1) of Interstate 55/64 beginning near the ramp to IL 3 southbound and ending near the 3rd Street overpass in St. Clair County starting at 7:00 AM Thursday, December 10, 2015, weather permitting. The left lane of the CD will be closed in this area until 3:00 PM Thursday afternoon. All entrance and exit ramps will remain open during construction.

The lane restrictions are required to perform essential pavement repairs in advance of the upcoming winter season. The Department's East St. Louis Maintenance Crews will be performing the work.

Traffic control devices and changeable message signing will be utilized to assist motorists during these lane closures. The Department asks that all motorists look for ROAD CONSTRUCTION AHEAD signs, be patient, reduce speed, and use additional caution when traveling near and throughout this work zone. Additional information is also available at www.stl-traffic.org/.
