**CONSTRUCTION NEWS RELEASE**  
**Lane Shift and Side Road Closure**  
**South Division Street**  
**Carterville**  
**Williamson County**

Location - The Illinois Department of Transportation would like to alert motorists traveling Division Street in Carterville of an upcoming lane shift and side road closure.

Beginning Tuesday, June 23, 2015, traffic on South Division Street near the intersection with Illinois 13 will be shifted to the new concrete pavement in order to complete pavement removal and replacement at the intersection. A short section of East Plaza Drive will be closed at Division Street. Access to the remainder of East Plaza Drive and all businesses will remain open via Commerce Drive and Main Street. This lane shift and side road closure is expected to last until Tuesday, July 28, 2015, weather dependent. Furthermore, right turns will not be allowed from westbound IL 13 to northbound Division Street for approximately the first three weeks of this stage of construction.

Message boards, signs and other traffic control devices will be in place to direct motorists.

Please slow down and use extreme caution while driving through all work zones.
