IDOT: Ashland Avenue Over Calumet Sag Channel Bridge in Blue Island to Close for Repair January 15

Chicago- The Illinois Department of Transportation (IDOT) announced that the Ashland Avenue bridge over the Calumet Sag Channel, located 0.4 miles south of 127th Street in the City of Blue Island will close for repair Wednesday, January 15, 2014.

Work involves repairs to several of the steel members that extend over the traffic lanes.

A temporary detour is being installed at this time. The detour will utilize 127th Street, Illinois Route 1 (Halsted Street), and Illinois Route 83 (Sibley Boulevard/147th Street).

The anticipated completion date is April 15, 2014.

Drivers are urged to pay close attention to the signs in the work zones, obey the posted speed limits, be on the alert for workers and equipment, expect delays and be prepared to stop.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
