IDOT: Lane Closures on SB/NB I-90/94 (Dan Ryan Expressway) Near 35th Street Saturday

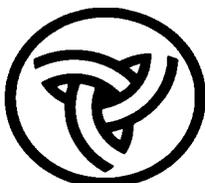

Chicago- The Illinois Department of Transportation (IDOT) announced that weather permitting, an inspection of the three bridges carrying a railroad over I-90/94 (Dan Ryan Expressway), located south of Pershing Road in Chicago, is scheduled to occur Saturday, April 5, 2014.

In order to complete the work, it will be necessary to temporarily close lanes in a moving closure on I-90/94 northbound and southbound Saturday. Lanes in both the express and the local lanes will close from 6:30 a.m. to 12:30 p.m. Two lanes in the express and one lane in the locals will remain open in each direction at all times.

Motorists can expect significant delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey posted speed limits, and be on the alert for workers and equipment.
